

/CORRECTION -- Service Corporation International/

March 15, 2004

In the news release, Service Corporation International (NYSE: SRV) Provides Outlook for 2004, issued earlier today by Service Corporation International over PR Newswire, we are advised by the company that the third sentence of the first bullet point under "Cash Flow and Other Measures" should read "Cash flows from operating activities in 2004 are expected to be \$270 to \$310 million" rather than "Cash flows from operating activities in 2004 are expected to be \$275 to \$325 million" as originally issued inadvertently.
