

Service Corporation International Increases Share Repurchase Authorization to \$400 Million and Declares Quarterly Cash Dividend

August 8, 2007

HOUSTON, Aug. 8 /PRNewswire-FirstCall/ -- Service Corporation International (NYSE: SCI), which owns and operates funeral service locations and cemeteries, today announced that its Board of Directors has increased the authorized level for repurchases of its common stock to \$400 million from \$200 million. The \$200 million increase in share repurchase authorization will be additive to the approximately \$76.2 million that remains available from the original \$200 million authorization approved by the Board of Directors in February 2007. Therefore, today's action brings the total amount authorized and available for future share repurchases to approximately \$276 million. SCI has made and intends to make share repurchases from time to time in the open market or through privately negotiated transactions, subject to market conditions and existing debt covenants.

The Company also announced that its Board of Directors has approved a quarterly cash dividend of three cents per share of common stock. The quarterly cash dividend announced today is payable on October 31, 2007 to shareholders of record at the close of business on October 15, 2007. While the Company intends to pay regular quarterly cash dividends for the foreseeable future, all subsequent dividends, and the establishment of record and payment dates, are subject to final determination by the Board of Directors each quarter after its review of the Company's financial performance.
